2007 The Year In Progress

Eagling's Taekwondo

It has been an extremely busy time for the club over the past few months with the State Open Championships and the State Division development weekend. All the students who participated in these events, some for the first time - had a great time and achieved a great deal, adding to their development as a martial artist. The club is going strong with more new members each month, wanting to broaden their fitness, self defence skills and knowledge. Our 4th Dale Eagling Memorial Championships are coming up in November, so over the next few months we will be incorporating Matrix kicking, high kicking etc into the classes so that students may have a go at these categories prior to the Championships. Congratulations must also go to Daniel Gledhill who has been named the State Technical Director.

Tournament News **Sparring:**

With the tournament year drawing to a close the team has been training relentlessly in preparation for the 2007 Taekwondo Nationals which are being held in Adelaide from the 20th to the 23rd of September. In the lead up to the competition we've been working with Howrah Taekwondo on Sundays; also, Warren Hansen from Taekwondo Australia -

High Performance Athlete Program, ran a development day in July which was a fantastic learning experience. The Tasmanian Open held earlier in the year gave most of the team a chance to fight against mainland and interstate players. Unfortunately Kristen sustained a fractured wrist but has managed to make an impressive recovery and will be ready to compete in September.

Eagling's Taekwondo will have six competi-

tors entered in sparring events at the Nationals which is three times as many as last year so it'll be a great experience to have strong support, at such a large event. On behalf of the whole team I would like to thank Mr. Eagling, Mr. Chilcott and Mr. Gledhill for their support, guidance and determination as coaches to bring us as far as they have.

Technical:

Congratulations to those members who competed in the recent State Competition: Barbara and Melanie Barrett, Cameron Burnett, Lauren Haines, Michelle and Rhiannon Miteff, Nikky White and Sally Bound. Everyone did extremely well and achieved the goals they had set for the competition. We now have two accredited poomsae judges, with Daniel Gledhill and Sally Bound having completed the Poomsae Judging Course. Good luck to those who are competing in the Nationals on 20th -23rd September!
