2009 The Year Ahead

www.eaglingstaekwondo.com.au

2009 promises to be a year of progression and development for Eagling's Taekwondo. This year will see the appointment of our club, by Taekwondo Australia, to be the Southern High Performance Centre for Tasmania. As part of that appointment, we will host monthly High Performance and Development sessions for Southern Tasmania. The dates for these can be found on our website under Calendar of Events.

In 2008, students working toward black belt grading's worked hard all year to fulfill the pre-requisites. Their efforts culminated in grading's held in early December. Again the standard was high and a credit to those students dedication to achieve high results at this level.

The Dale Eagling Memorial Championships was also strongly attended by both Junior & Senior members and a club event that proves

every year to be a favourite.

Our Pee Wee class continues to grow strongly and at the Memorial Championships the Pee Wee's showed loads of enthusiasm.

Our website continues to provide members with valuable information throughout the year and is a good guide for members to see what

up-coming events are happening, keeping them up-to-date with information .

In all 2008 was a very challenging year and I would like to thank all the Senior Instructors that took classes and maintained that high standard of technique throughout all the clubs.

For 2009 it will be no different . We have new challenges and goals and I wish you all success in the year ahead .

Tournament Training Sparring - will recommence on Wednesday 11th February, Moonah Hall at 6.00pm.

Technical - will recommence on 4th March, Moonah Hall at 6.00pm.

If you wish to participate in either of the tournament squads please see your Instructor.
